

# Five-star eco-housing

**A**ditya Javdekar, MD, Vilas Javdekar and Associates recently screened an Oscar winning documentary called *The Inconvenient Truth* to launch their new eco-friendly project Palash - Green Commune at Wakad. This project will have more than 300 flats of 2 and 3 BHK. These will be fully automated 'intelligent homes'. This is being touted as the world's first five-star rated eco-housing project. This project will be launched in a fortnight.
